*Palynology Group*

## **Palynology Group Meeting 2014**

### ***“Palynology in the Modelling World”***

The Micropalaeontological Society Palynology Group meeting will take place on the **4th of June 2014** in the School of Geography Earth and Environmental Sciences at the **University of Birmingham**.

We would like to invite members of the TMS Palynology Group to submit abstracts for the forthcoming one-day meeting at the University of Birmingham. The theme of this meeting is “Palynology in the Modelling World”. Preference will be given to PhD and MSc students to enable them to present talks in a friendly and supportive atmosphere. Further details, including schedule and travel information, will be announced in the New Year. **Abstract deadline 28th February 2014.**

*The 1st Annual von Post Lecture to be delivered by*

*Prof. Alan Haywood (University of Leeds)*

***Abstracts and Enquiries to:***

**Fabienne Marret-Davies, Group Chair (F.Marret@Liverpool.ac.uk)**

**Luke Mander, Group Secretary (L.Mander@Exeter.ac.uk )**
